

About us

Tamil Nadu e-Governance Agency

Tamil Nadu e-Governance Agency (TNeGA), as a State Nodal Agency has been formed to support and drive all e-Governance initiatives of the Government of Tamil Nadu. TNeGA is implementing various e-Governance projects with the objective of making all Government services, wherever feasible & accessible to the common man in an efficient and transparent manner. Major citizen facing initiatives of TNeGA include setting up and operating the e-Sevai online portal and CSC centres, Nambikkai Inaiyam (Tamil Nadu Blockchain Backbone) and the Tamil Nadu State Family Database to name a few.

Nambikkai Inaiyam

Nambikkai Inaiyam is the Tamil Nadu Blockchain Backbone platform. It is a modular Blockchain as a Service platform that is being leveraged by the Tamil Nadu government departments for building secure and efficient eGovernance services for the residents and businesses of Tamil Nadu.

e - Pettagam

The e-Pattagam wallet allows residents of Tamil Nadu to securely store and share their documents with service providers, employers and authorities. The wallet leverages Nambikkai Inaiyam to securely store the documents and provide a secure and fool proof verification methodology for digitized data, documents and certificates. Presently the wallet supports more than 30 certificate types.
